

Bathroom Cleaning Checklist: Everything You're Probably Missing

The spots that get skipped in a quick clean but matter for genuine hygiene

Area	What to check
Toilet	Bowl, seat, base, and behind the tank
Shower/tub	Walls, floor, glass or curtain, drain
Sink	Basin, faucet, and countertop
Mirror	Streak-free glass cleaner
Grout lines	Scrub separately from general floor mopping
Under-sink cabinet	Wipe shelves, check for leaks
Exhaust fan cover	Dust buildup, easy to forget
Floor	Mop, including corners behind the toilet
