

Top 10 Things Every Home Cleaning Checklist Should Include

The essentials that separate a home that looks tidy from one that's actually clean

#	Task	What it means
1	Kitchen counters, stovetop and sink	Wipe down and disinfect
2	Floors, all rooms	Vacuum or mop
3	Bathroom toilet, sink and shower	Clean and disinfect
4	Mirrors and glass surfaces	Streak-free wipe
5	High-touch points	Door handles, light switches, remotes
6	Trash bins	Empty and replace liners
7	Beds	Make beds, change linens weekly
8	Dusting	Furniture tops, shelves, window sills
9	Entryway	Sweep, tidy shoes, wipe front door
10	Living area surfaces	Coffee table, TV stand, cushions fluffed

These 10 cover what most people miss when cleaning feels "done" but the home still doesn't feel fully clean.
